WITH YOU FROM IDEA TO ASSEMBLY

Production and assembly of glamping tents and wooden houses up to 75m²

We produce and install modern glamping tents – houses.

Our glamping tents are made of natural solid wood.

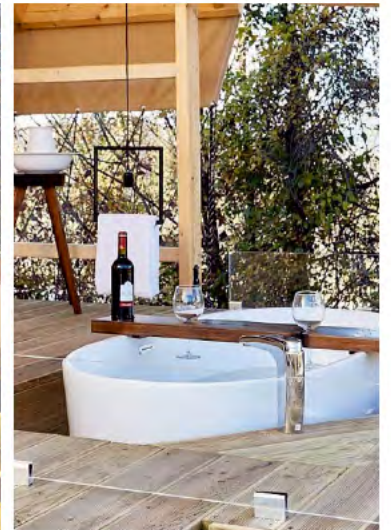

The entire interior exudes natural materials and unique design.

There as a possibility of installing a jacuzzi on the terrace.

We especially emphasize handmade furniture made of solid spruce and fir.

We deliver our products according to the "turnkey" system, together with all the necessary furniture and appliances.
